

Submitter:

Keely Blyleven

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am an Oregonian with difficulty standing and this bill would make voting inaccessible and an undue burden to exercise my right to vote. This would also make it inaccessible to people who have to work during voting hours. Don't let Oregon fall behind and keep vulnerable Oregonians from slipping through the cracks. The need to transition back to in-person voting is unsubstantiated and will disenfranchise rural and and vulnerable populations.
