Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Hi,

I oppose SB 210 because it eliminates mail in voting for Oregonians.

Mail in voting allows for citizens who cannot present on election day to cast their vote. Obstacles for in person voting can be transportation, work, having an infection- just to name a few. SB 210 will reduce accessibility for Oregonian citizens to cast their vote.

Again, I oppose SB 210.
