SB210

Dear Chair Jama and esteemed Members of the Committee,

SB 210 would force eligible voters to vote in-person on a single day. This would disenfranchise tens of thousands of Oregonians and is therefore the opposite of fair and democratic. Mail in balloting has been very successful and there have been no insurmountable problems. This bill represents an effort make elections less likely to attract voters.

I request - in the strongest terms - that you do not advance this bill any further.

Thank you,
Sheila Koenig
