SB210

I am writing in STRONG opposition of SB 210. As a young attorney with a family in person voting would place an undue burden on me as a voter and citizen. Additionally, it would overwhelming burden those who do shift work or live paycheck to paycheck and cannot take time off to vote. As an Oregonian, I'm proud that our state consistently ranks in top for voter turnout with no evidence of fraud. Having vote by mail also allows me and my family to be more informed voters because I can look through the Voter Pamphlet and the candidates' public information on their website and social media and take my time to make these important decisions. The state's vote by mail initiative has had broad bipartisan support and should NOT CHANGE. Do not make it harder for hardworking Oregonian's to vote!
