SB210

I oppose the bill to eliminate mail-in voting in Oregon. This would create a severe barrier for many people's access to voting. I firmly believe that low voter turnout in states without this access could be remedied by adopting the mail-in ballot system. Furthermore, I believe it provides the time needed to research and educate ourselves about the nuances of proposed initiatives before casting a vote. Voting by mail allows the time for more thoughtful consideration in our busy and strained schedules. Please offer continued support for a more intelligently informed democracy, accessible to all.
