Kristy Newell

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this measure that would require in-person voting. I live 40 minutes from the nearest election office and would find it challenging to vote in person with this distance. Voting by mail allows me to participate in our democratic process without undue inconvenience. It is my belief that we should be encouraging access to voting rather than creating hindrances. Voting by mail in largely rural areas supports a more robust participation in democracy and equal representation.
