SB210

Dear Chair Jama and esteemed Members of the Committee,
SB 210 would force eligible voters to vote in-person on a single day. This would disenfranchise tens of thousands of Oregonians and is therefore the opposite of fair and democratic. Oregon is a leader in facilitating vote by mail and ensuring ease in voting and hearing from the greatest proportion of our population.

I request - in the strongest terms - that you do not advance this bill any further.

Thank you,

Margaret Robinson
