

Submitter: April Christian

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Vote by mail serves the disabled, thats me.

Every voting age oregonian is served best by mail in ballots. We are all aware exactly why republicans are intent on destroying the state of oregon and our nation. Destroying the most successful voting practice in our nation only serves republican candidates not the voting citizens of oregon. I stand with mail in voting and democrats who defend it.
