

Submitter: Julia Jackman

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I oppose the proposal to change Oregon's voting system to in-person only on the day of voting. Oregon has a perfectly functional system to vote by mail. Voting by mail gives the voter the opportunity to carefully consider each measure or candidate, and take the time to research any questions before casting one's vote. It is extremely convenient, especially for those who may be disabled or homebound. There is no benefit to changing a system that has been working perfectly for many years.
