

Submitter:

Clayton Mathieson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I support this bill. Ensuring the integrity of our elections is a critical component of our democracy. Too many family members can force or intimidate a loved one to vote in a way the voter wouldn't choose if they were in a private ballot box. This is the integrity that is needed for our democracy. Please approve this bill.
