

Submitter:

Barbara Hale

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please note that I strongly oppose this bill. Voting by mail allows for all voters to have equal access to the right to vote. Otherwise, people who work hourly jobs, have limited transportation, have kids, etc, will be unable to vote. If it is felt strongly that this is necessary for voter fraud then it needs to include mandatory 1/2 day paid time off for voting. Or perhaps some electronic method could be developed.

Regards,
Barbara
