

Submitter: laurie kimmell

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

1. This is a noble bill but, there are several items missing. The first item that should be included in this bill is to stop Motor Voter, voter rolls should be cleaned, and the last item is that in person voting should be transitioned.

Thank you,

LAURIE KIMMELL, MSgt, USAF (Ret.)
