

Submitter:

Sarah Levrets

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

My testimony: Vote by mail is an equalizer for people who cannot easily get to the polls. Anyone who is elderly. Anyone with accessibility issues. Anyone who works long hours and needs every dollar of income.

Doing away with our mail-in system means less low income residents will be able to use their voice in a democracy that was created FOR THE PEOPLE BY THE PEOPLE.
