

Submitter: Pablo Lopez

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail-in voting has proven to be secure, effective, and convenient for most Oregon residents. Any past issues have been transparently addressed and successfully resolved, reinforcing its reliability as a safe voting method.

Oregon is a national model for voting rights, and we should continue leading the way. That's why I strongly oppose Measure SB 210, which offers no benefits to our system.
