Erik Jaqua

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This bill would be a step backward in voter enfranchisement. Vote-by-mail puts Oregon far ahead of the curve in allowing citizens to make educated decisions about democracy within the safety and comfort of their own home. This right should not be infringed upon by putting onerous restrictions on time and place of filling out a ballot. Reject this proposed bill. Keep vote-by-mail.
