SB210

I live in Powers, Oregon.

It is one of the most secluded parts of Coos County. I am thankful for the ability to be part of the voting process. I feel it is patriotic and part of good citizenship. Being so rural having to drive so far for most any services and being so car dependent having my ballots mailed to me is a Godsend!

It makes me able to easily participate. So many of my community members here do not even have a vehicle.

Our participation in Oregon is high!

Voting by mail is secure and easy!

It makes voting not just available to the elite!

Us poor rural folks have a seat at the table.

Please keep the mail in voting as is. It's wonderful and secure!
