SB210

I vehemently oppose this bill. Voting by mail is secure, easy and encourages voter turnout. I am 78 years old and the idea of standing in long lines to cast my ballot is daunting and may even be impossible due to a medical condition. I have voted in every single election since I was 21 years old and want to continue to do so. I feel that this bill is an attempt to reduce the number of people who are able to vote. Let the voice of the people be heard: do not pass this bill.
