

Honorable Sirs and Madams.

Re: SB 210

Thank you for taking my testimony.

I've been an Oregon resident on and off since I was 7 years old. I moved here back in 1976. I have lived in many other states, Oregon is the only one that had standard voter registration when obtaining a driver's license, and had standard vote by mail. I love vote by mail. It means I don't have to take time off work. I don't have to schedule a specialist trip. I don't have to spend money on gas. It means that I get the opportunity to read the measures and vote. It matters to me that working people get the chance to vote.

Sincerely,

L.C. Coberly
