SJR30

Oregon has VOTED Measures in only to have POLITICIANS change THE VOTE OF THE PEOPLE with a new bill worded to fool the public. This will make it harder for OREGONIANS to PETITION THE STATE when lobbyist with outside money, and agendas come to town. We seen first hand with 114 gun bill, people voted it in (unconstitutional) thinking it would take guns away from CRIMINALS only to find out your target was LAW ABIDING GUN OWNERS, so now you will re-write and push it thru anyway. SJR 30 WILL TAKE away power from the people to STOP CORRUPTION like we seen with Secretary of State. The cover up from The Governor and Attorney General . This has been going on for years. SJR'S LIKE THIS TELLS ME YOU DON'T REPRESENT OREGONIANS. I OPPOSE SJR 30. STOP WASTING TIME CHANGING THE CONSTITUTION, TAXING, AND FILLING AGENDAS. CLEAN UP YOUR HOUSE, AND THE STATE. WE ALL LIVE HERE, TRY WORKING FOR THE PEOPLE OF THIS STATE, OUR HOME THE MONEY IS HERE LEARN TO CUT WASTE.
