Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I'm writing to oppose SB 210. Mail in voting is the safest, most secure way to vote. It enables so many people to vote easily that would otherwise struggle to get to a polling place due to either disabilities, age related challenges and amongst many other things, lack of transportation. Oregon has proudly been a leader in the vote by mail success! Do not change that.
