SB210

I would like to express my vehement opposition to SB 210. It constitutes a cynical effort in the part of the Republican Party to weaken faith in our elections and make voting more difficult for Oregonians.

Our current system which allows mail-in voting is robust and trustworthy, and this attempt to alter it is a blatant attack on Democracy at the hands of Donald Trump, our felon president, and his lackey Elon Musk, an unelected autocrat.

In a time when Trump is making serious arguments for allowing him to serve a third term, the faith of our elections is paramount and what stands between a system in which citizens have a say in their elected leadership, and an authoritarian dictatorship.
