Oregon vote by mail is terrific! It's an incredibly useful system that provides a straightforward way to review candidates in depth, return timely ballots, and ensure my vote is accurate and counted. Oregon has one of the most successful and highest turnout elections systems in the nation. Further, as a person with a disability, voting by mail removes some barriers that in-person, same-day voting would increase, and which might prevent me from accessing polling places. I beg you to keep our vote by mail system safe!
