

Submitter:

Gerald Jay Dollarhide

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This is absolutely ridiculous. We have never had any issues, up until the last election due to Republicans doing their best to insinuate that voting by mail is prone to fraud. There is absolutely no reason to end "vote by mail" in our state. It has been working well for 25 years, and we have great voter turnout due to it! Come on Republicans, use your time legislating more wisely than this!!!
