

Submitter: Michael Brainard

On Behalf Of:

Committee: House Committee On Economic Development, Small  
Business, and Trade

Measure, Appointment or Topic: HB2415

This "Study Bill" lacks any usefulness and as such isn't needed

If this bill was so important the sponsor, they should have been open an transparent and actually submitted the real bill.

I oppose this bill, I would however support this bill if the -99 amendment were added that sets aside funding for the Oregon Port of Coos Bay Deep Water Fleet Docks in Charleston, OR.
