Measure, Appointment or Topic: SB1119

Good morning. I'm writing in opposition of this bill.

We seem to keep confusing immigrant and illegal immigrant. My family are immigrants. They proudly served to gain citizenship. I don't see why we would not require legal standing to work. That's how Oregon taxes people.

Not only is this bad for our workforce but also employers. If we begin to hold employers to impossible standards. How do you expect them to keep supplying employment

We need to help Oregonians now more then ever and this is not that

Thanks for your time
