

Submitter:

Donna Ebeling

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

To whom it may concern:

I have great concerns over the future of mail in voting. Oregon is a sanctuary state and I can't trust that they are going to keep Illegal aliens from registering to vote.

Therefore I am for in person voting on the day of election.

Sincerely, Donna Ebeling
