

Submitter:

Joseph Venutolo

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I do not want Oregon to change the voting methods, seeing as it has worked for years! This is a blatant power grab by people who do not care about the constitution or the people they were elected to serve! Plus think of all the elderly people and people who might not be able to vote in person that would be affected! NO TO THIS BILL!
