SB210

I oppose SB210. Mail-in voting supports democracy by ensuring all people have timely access to submitting their ballots. It's better for everyone to be able to thoughtfully research their choices and submit them through the mail. Many people don't get the day off to be able to go to a polling station and it's the only way their voices can be heard.

SB210 would greatly limit our democracy. Please oppose SB210!
