

Submitter:

Siobhan OMalley

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am horrified that we would even entertain the possibility of ending mail in voting. This system has allowed for more access to voting for Oregonians and has consistently demonstrated low levels of fraud. By requiring voters to come in person we run the risk of limiting who will participate in our democracy. Working people like myself may not be able to take an entire day off work to stand in line to cast my ballot.
