

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES SB 829
Committee: Senate Committee On Housing and Development
Measure, Appointment or Topic: SB829

I OPPOSE [SB 829]. Another waste to taxpayer time and money to study 'nothing' is requested.

From the TEXT of [SB 829], "...SECTION 1. The Department of Consumer and Business Services shall study affordable housing. The department shall submit a report in the manner provided by ORS 192.245, and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to housing no later than September 15, 2026..."

Another waste to taxpayer money and Legislative time is generated to appease the addiction of the Governor to provide housing for those who cannot afford to live in Oregonian cities.

"Affordable Housing" is in fact, taxpayer subsidized housing by governmental fiat.

The 'study' proposed has 'No' budget allocation and or funding source(s) to carry out the proposed inane mandate.

[SB 829] should be rejected and denied with prejudice.

Mr. Oregon Concurs and says, "Oregon can only absorb so many people. North Dakota has 'wide-open spaces' just right for housing. Sanctuary States, the 'New Confederacy' has found it is expensive to house Illegal Aliens and the taxpayers are sick and tired of being compelled to do so."
