

Submitter: Daniel Kaempff

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

To the honorable members of the Oregon Senate,

Voting by mail is a popular and effective way for Oregonians to directly affect how they are to be governed. Well over 2/3 of Oregonians like our current system of voting and do not wish for it to be changed. Please reject this bill that attempts to do so. Thank you.

Daniel Kaempff
