Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting allows for better informed voters! My husband and I spend a few days going over our ballots and researching the candidates and issues. There are so many things on the ballot it would be impossible to remember who you selected and what you wanted to vote for just walking in to a voting booth on the day of an election! This measure would suppress voter turnout, which I fear is exactly what it's trying to do! SHAME ON YOU!!!
