On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I do not support a repeal of Oregon's vote by mail system. The system is easy, inclusive, and convenient. It has worked well for over 20 years and should be continued. Because of the convenience of voting by mail, Oregon's turnout exceeds the national average. Vote by mail is especially good for rural communities who have to travel much further to vote in person.
