Measure, Appointment or Topic: SB210

Please note my opposition to Senate Bill 210 which seeks to make in-person voting on Election Day the standard method for conducting elections in Oregon. It would also limit vote-by-mail options, imposing stringent identification requirements. This move would undermine the accessibility and inclusivity that have been the hallmarks of Oregon's electoral system for decades. Oregon has been a leader in implementing a universal vote-by-mail system, which has significantly increased voter participation and streamlined the electoral process.
