

Submitter:

Tim Allen

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail has proven to be a failed experiment that is also costing us a great deal of money to prop up. Aside from being rife with the potential for persuasion from a spouse or caretaker, it takes far too long for results to be determined. Please do us the favor of bring our voting methods back to the quick, safe, private voting that our state used to have.
