

Submitter:

JoAnn Berenbach

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a long time resident of Oregon, I have voted both in person (ancient history) and by mail. I am a staunch supporter of vote by mail. It indeed is the most democratic, safest and easily checked method of voting. For those living in rural areas, First Nation constituents, the disabled and the elderly voting by mail has made it possible to participate in an important democratic right. Please do not take this away.
