On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

As a teacher it would be next to impossible to do in person voting. I would have to take a personal day to vote and get a sub, which means that sub wouldn't be able to vote. There are not enough subs in the nation to cover teachers going to the polls to vote. This is a control issue and one of the many great things about living in our blue state is mail in voting. Do not allow this to pass.
