SB210

I am writing to express strong opposition to SB 210. Eliminating mail-in ballots in favor of in-person voting is going to alienate many residents, preventing them from voting all together. I myself have little kids with special needs and I frequently can't leave with them, or get childcare to watch them so I can leave the house by myself. This is simply one example of how in-person voting will reduce voting. Oppose SB-210!
