

Submitter:

Steven Koch

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Greetings,

I am opposed to a return to in-person voting.

Returning to in-person voting will exclude the disabled, impaired and senior citizens who have specific insight, and historical perspective to vote in an intelligent way.

Please oppose a return to in-person voting. It is against the basic principles of this country to exclude citizens based on physical and economic ability to vote in-person.
