

Submitter: Anna Bocek

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I strongly oppose changing Oregon's method of voting. I am a disabled person providing care for medically fragile elderly parents. Vote by mail is extremely important to me and to them.

Vote by mail ballots are inexpensive, readily tracked, have had no special issues with fraud, and don't require participants to take time off of work, find child or elder care, or find transportation in order to engage in a sacred American tradition.
