Measure, Appointment or Topic:

SB210

I am a proud Oregon resident and I STRONGLY oppose this measure and view it as a blatant assault on the state electoral process. Oregon consistently has one of the highest rates of voter turnout in the country and that is obviously threatening to the authors of this bill. In a time when the Trump administration is constantly attacking election integrity and voting by mail, the agenda behind this measure is clear.

I am extremely opposed to this measure and I will make sure everyone in my community is as well.
