

Submitter: Rachel Browning

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee
On Education

Measure, Appointment or Topic: SB5525

I am an ASPIRE mentor at Newport High School. I have seen first hand how valuable this program is to our students in helping them plan for their future after high school. This program helps students in getting a job or volunteer position, apply for college or trade school, and mostly importantly for those who do plan to attend college or trade school, apply for scholarships. Please fund this vital program.
