Anne DELANEY

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Our system of vote-by-mail has worked well for many years. Limiting the voting process to in-person on a single day makes it harder for working folks and seniors to vote, thus discouraging them from participating in our democracy. Making it more difficult to cast one's ballot is exactly the wrong direction. I strongly oppose SB 210.
