SB210

This is a blatant attempt at voter suppression, and should be stopped dead in its tracks. Those proposing the bill know they are unlikely to win at the ballot box if all eligible voters can vote, so they turn to voter suppression to try to tip the scales in their favor. Their excuse is prevention of virtually nonexistent voter fraud, which has been repeatedly shown to be quite rare and entirely negligible. Please do not allow this bill to even come to a vote. Thank you
