SB210

Hello,

I oppose SB 210. I want Oregon's vote by mail to stay the way it is now. SB 210 represents a step backward for voting accessibility in Oregon. Our proven vote-by-mail system works! SB 210 would disenfranchise voters and erode the inclusive democracy that Oregonians champion and have come to expect. This is an unnecessary bill, since anyone who wants to vote in person can still drop off their ballot.
