SB210

I absolutely oppose Senate Bill 210. Oregon's current vote-by-mail system has resulted in one of the highest voter turnout rates in the state. The false claims of vote-by-mail opponents state that fraud is higher in vote-by-mail. This is untrue and has not been proven whatsoever. Voting by mail allows more citizens to vote without being hampered by transportation needs, physical disabilities, or long and cumbersome wait times. Removing the vote-by-mail opportunity would disproportionately affect lower-income individuals and people with disabilities. Every citizen deserves an equal opportunity to have their voice heard.
