SB210

Hello,

I am writing in opposition to SB 210. Oregon's vote by mail system is an excellent system and has resulted in incredible voter turnout time and time again. Our state's democracy functions best when as many of our citizens as possible are able to make their voices heard, and our current election system does that job very well.

Furthermore, Republicans as a party have shown themselves to be against democracy and willing to do whatever they can to enact laws and policies that increase voter suppression. I strongly urge our senators to oppose SB 210 and keep our democracy strong in the face of ever-increasing authoritarianism from the Republican Party.

Thank you,
Joe
