

Submitter: Merri Steele

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am totally opposed to in person voting. Voting by mail is efficient, allows the voter to take the time needed to make a decision about his/her vote and is a safe means to conduct voting. In person voting makes it more difficult to hear from the general public as there are voters that cannot vote at the allotted date/time or have difficulty getting to a voting location. There have not been any problems with voting by mail and this should absolutely continue.
