

Submitter:

Patricia Kirby

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I want to continue mail-in-voting. I am a new resident of Oregon. The vetting that I incurred in order to become registered to vote in Oregon was thorough. I was also informed that I would incur a significant fine if I was untruthful. I think that is a good deterrent as I don't think voting is important enough to non-citizens that they would risk a large fine.
