SB210

I am in favor of voting in person with identification. I have to prove who I am to enter an airplane to withdraw money from

The bank and to buy prescriptions. In person voting would guarantee real alive people are voting and give hope for returning a balance of power to our state. This is a simple process and how voting was intended by the constitution. Anyone can get a license in Oregon so it is not

Limiting voices but adding a step

Of authenticity and care to the voting process. Please

Restore in person voting to Oregon.
